Contribution Interest Rate

Mr. Tencick presented information on the US Treasury rates used to determine the Plan interest rate on member contributions. From July 1, 2017 to June 30, 2018, the average 5-year US Treasury Note rate, rounded to the nearest 25 basis points, was 2.25%. This rate will become effective July 1, 2018, and is an increase from the previous rate of 1.50%.

Dean Kiefer moved and Jim Tieken seconded the motion to adopt the 2019 Budget as presented. The motion passed unanimously.

Other Business

The July Board meeting will be held in the Tribal Conference Room in the Lobby of City Hall. If the Board is comfortable with the room, the future Board meetings will be scheduled there.

Mr. Tencick briefed the Board on an additional control process using the Spokane County and State of Washington Voter registrations to confirm death information on our pensioners.

Mr. Tencick briefed the Board on his due diligence visit to Castine Partners, OrbiMed, and two potential new managers that was conducted in June.

Brian Loescher from Hyas Group will present at the July Board meeting the recommendations for the Emerging Market Equity search and the Opportunistic Credit search.

Mr. Tencick also informed the Board that the Chief Compliance Officer with Sterling Capital Management LLC was replaced. This replacement in leadership was unexpected, but Hyas Group does believe there is a significant impact to investment process that would warrant placing them on watch status.

There being no other business, the meeting adjourned at 2:16 p.m.

Open Public Meetings Act RCW 42.30

December 2017
Yakima, WA

Prepared by Washington State Attorney General's Office

Washington's Open Public Meetings Act (OPMA)

- Passed in 1971
- Requires meetings to be open to the public, gavel to gavel
- RCW 42.30

Purpose

- “The people do not yield their sovereignty to the agencies which serve them.”
- “The people, in delegating authority, do not give public servants the right to decide what is good for the people to know and what is not good for them to know.”
- “The people insist on remaining informed so they may retain control over the instruments they have created.”

~ *RCW 42.30.010*

Purpose (Cont.)

- Public commissions, boards, councils, etc. listed in OPMA are agencies of this state that exist to aid in the conduct of the people's business.
- Their actions are to be taken openly and deliberations conducted openly.

~ *RCW 42.30.010*

- Act is to be “liberally construed.”

~ *RCW 42.30.910*

- The purpose of the OPMA is to allow the public to view the “decisionmaking process.”

~ *Washington State Supreme Court*

Open Government Laws Like the OPMA are Often Called “Transparency Laws” or “Sunshine Laws”

This is because they “shine light” on government. U.S. Supreme Court Justice Louis Brandeis once famously said, “*Sunlight is the best disinfectant.*”

Transparency builds public confidence in government.

OPMA Applies To:

Multi-member public state and local agencies, such as boards and commissions, as follows:

- Any state board, commission, committee, department, educational institution, or other state agency which is created by or pursuant to statute, other than courts and the legislature.
- Any county, city, school district, special purpose district, or other municipal corporation or political subdivision of Washington.
- Any subagency of a public agency which is created by or pursuant to statute, ordinance, or other legislative act, including but not limited to planning commissions, library or park boards, commissions, and agencies.
- Any policy group whose membership includes representatives of publicly owned utilities formed by or pursuant to the laws of this state when meeting together as or on behalf of participants who have contracted for the output of generating plants being planned or built by an operating agency.

~ RCW 42.30.020

These are the “public agencies” subject to the OPMA.

OPMA Does Not Apply To:

- These entities:
 - Courts
 - Legislature
 - Agencies not defined as “public agency” in OPMA, such as agencies governed by a single individual
 - Private organizations
- These activities:
 - Licensing/permitting for businesses, occupations or professions or their disciplinary proceedings (or proceedings to receive a license for a sports activity, or to operate a mechanical device or motor vehicle)
 - Quasi-judicial matters
 - Matters governed by the Washington Administrative Procedure Act, RCW 34.05
 - Collective bargaining

~ RCW 42.30.020(1), RCW 42.30.140

Governing Body

- All meetings of the **governing body** of a public agency shall be open and public and all persons shall be permitted to attend any meeting of the governing body of a public agency, except as otherwise provided in RCW 42.30.

~ *RCW 42.30.030*

What is a Governing Body?

- The **multimember board or other policy or rule-making body**

OR

- Any **committee** of such public agency *when*:
 - the committee acts on behalf of the governing body,
 - conducts hearings, or
 - takes testimony or public comment

~ RCW 42.30.020

What is a Meeting?

- **“Meeting”** means meetings at which the public agency takes **“action”** ~ *RCW 42.30.020*
- **“Action”** means the **transaction of the official business of the public agency** and includes but is not limited to:
 - Public testimony
 - All deliberations
 - Discussions
 - Considerations
 - Reviews
 - Evaluations
 - Final actions

The requirements of the OPMA are triggered whether or not “final” action is taken. See upcoming slide on “final action.”

- A “meeting” of a governing body occurs when a **majority of its members (quorum) gathers with the collective intent of transacting the governing body’s business.**

~ Citizens Alliance for Property Rights Legal Fund v. San Juan County

“Meeting” (Cont.)

- Physical presence not required – a meeting can occur by phone or email.  
- An exchange of e-mail could constitute a meeting if, for example, a quorum of the members participate in the e-mail exchange & discuss agency business. Simply receiving information without comment is not a meeting.
~ Wood v. Battle Ground School District; Citizens Alliance for Property Rights Legal Fund v. San Juan County
- Does not need to be titled “meeting” – OPMA also applies to “retreats,” “workshops,” “study sessions,” etc.
- No meeting occurs if the governing body lacks a quorum.

Final Action

- “**Final action**” is a collective positive or negative decision, or an actual vote, by a majority of the governing body, or by the “committee thereof”
- Must be taken in public, even if deliberations were in closed session.
- Secret ballots are not allowed.

~ *RCW 42.30.060, RCW 42.30.020*

Travel and Gathering

- A majority of the members of a governing body may travel together or gather for purposes other than a regular meeting or a special meeting, so long as no action is taken.
- Discussion or consideration of official business would be action, triggering the requirements of the OPMA.

~ *RCW 42.30.070*

“Regular” Meetings

- **“Regular meetings”** are recurring meetings held in accordance with a periodic schedule by ordinance, resolution, bylaws or other rule.
- A state public agency must:
 - Yearly, file with Code Reviser a schedule of regular meetings, including time and place
 - Publish changes to regular meeting schedule in state register at least 20 days prior to rescheduled date

~ *RCW 42.30.070; RCW 42.30.075; RCW 42.30.077*

“Regular” Meetings (Cont.)

- Agenda notice requirements apply to regular meetings.
- RCW 42.30.077 requires governing bodies to make the agenda of each regular meeting of the governing body available online no later than 24 hours in advance of the published start time of the meeting.

- This law does not:
 - *Apply to agencies that do not have websites.*
 - *Apply to agencies that employ fewer than 10 full-time employees.*
 - Restrict agencies from later modifying an agenda.
 - Invalidate otherwise legal actions taken at a regular meeting where agenda was not posted 24 hours in advance.
 - Satisfy public notice requirements established under other laws.
 - Provide a basis to award attorneys fees or seek court order under OPMA if agenda is not posted in accordance with this law.

“Special” Meetings

- A “**special meeting**” is a meeting that is not a regular meeting (not a regularly scheduled meeting).
- Called by presiding officer or majority of the members
- Notice - timing: 24 hours before the special meeting, written notice must be:
 - Given to each **member** of the governing body (unless waived)
 - Given to each **local newspaper of general circulation, radio, and TV station** which has a notice request on file
 - Posted on the **agency’s website** [with certain exceptions in RCW 42.30.080(2)(b), for example, if the agency does not have a website]
 - Prominently **displayed at the main entrance** of the agency’s principal location and the meeting site (if not that same location)

~ RCW 42.30.080

“Special” Meetings (Cont.)

- Notice - contents: The special meeting notice must specify:
 - Time
 - Place
 - Business to be transacted (agenda)
 - Final disposition shall not be taken on any other matter at such meeting

~ RCW 42.30.080

Emergency Special Meetings

- Notice is not required when special meeting called to deal with an emergency
 - Emergency involves injury or damage to persons or property or the likelihood of such injury or damage
 - Where time requirements of notice make notice impractical and increase likelihood of such injury or damage

~ *RCW 42.30.080(4)*

Public Attendance

- A public agency can't place conditions on public to **attend** meeting subject to OPMA:
 - For proceedings governed by OPMA, cannot require people to register their names or other information, complete a questionnaire, or otherwise fulfill any condition precedent to attendance

~ *RCW 42.30.040*

- Reasonable rules of conduct can be set
- Cameras and tape recorders are permitted unless disruptive
 - ~ *AGO 1998 No. 15*
- No “public comment” period required by OPMA

Interruptions and Disruptions

- The OPMA provides a procedure for dealing with situations where a meeting is being interrupted so the orderly conduct of the meeting is unfeasible, and order cannot be restored by removal of the disruptive persons.
- Meeting room can be cleared and meeting can continue, or meeting can be moved to another location, but final disposition can occur only on matters appearing on the agenda. More details set out in the OPMA.

~ RCW 42.30.050

OPMA – EXECUTIVE SESSIONS

OPMA – NOTICE REQUIREMENTS

PRACTICE TIPS

For Local Government Success

Under the Open Public Meetings Act (OPMA), to ensure that agency deliberations and other actions are conducted and taken openly, agencies are required to provide sufficient public notice of their meetings. Use these practice tips as a starting guide for OPMA notice requirements.* For more information and resources visit www.mrsc.org/opmapra.

	Regular Meetings (RCW 42.30.070)	Special Meetings (RCW 42.30.080)
Definition	Held in accordance with a schedule fixed by ordinance, resolution, bylaws, or other rule.	Anything other than a regular meeting. May be called by the presiding officer or a majority of the members of the governing body.
Notice and Agendas	Effective June 12, 2014, agendas must be made available on the agency's website at least 24 hours in advance of the meeting unless the agency: <ol style="list-style-type: none"> Doesn't have a website; or Employs fewer than 10 full-time equivalent employees. There are no other notice requirements for regular meetings in the OPMA. However, other relevant laws apply to some local governments. For example, cities and towns are required to establish a procedure for notifying the public of the preliminary agenda for the forthcoming council meeting (although not necessarily online) as well as regarding upcoming hearings. RCW 35A.12.180; RCW 35.22.288; RCW 35.23.221; RCW 35.27.300. There are no similar requirements for counties or special purpose districts related to preliminary agendas.	The special meeting notice must specify the date, time, and place of the special meeting, and the business to be transacted. <ul style="list-style-type: none"> Personal notice. Written notice must be delivered personally, by mail, fax, or e-mail at least 24 hours before the meeting to: <ol style="list-style-type: none"> Each member of the governing body, unless the member submits a written waiver of notice in advance with the clerk, or the member is actually present at the meeting; and Each member of the news media who has on file with the governing body a written request for notice of special meetings. Website notice. Notice must be posted on the agency's website 24 hours in advance of the meeting, unless the agency: <ol style="list-style-type: none"> Doesn't have a website; or Employs less than 10 full-time equivalent employees; or Doesn't employ personnel whose duty, as defined by a job description or existing contract, is to maintain or update the website. Notice at agency's principal location. Notice must be prominently displayed at the main entrance of the agency's principal location and the meeting site if the meeting isn't held at the agency's principal location.
Emergencies	In an emergency situation (e.g., fire, flood, earthquake, or other emergency), a meeting may be held at a site other than the regular meeting site, and the notice requirements under the OPMA are suspended during such an emergency.	The notices required for special meetings aren't required if a special meeting is called to deal with an emergency involving injury or damage to persons or property or the likelihood of such injury or damage, when time requirements of such notice would make notice impractical and increase the likelihood of such injury or damage.
Holidays	Regular meetings shall not be held on holidays. If a regular meeting falls on a holiday, the meeting must be held on the next business day.	Although not specifically addressed by the OPMA, we recommend that special meetings not be held on holidays out of consideration for public participation.
Business Transacted	There are no restrictions on the type of business that may be transacted at regular meetings.	Final disposition cannot be taken on any matter not listed in the special meeting notice.

*DISCLAIMER: These practice tips are meant to provide summary information on the notice requirements of the OPMA; these tips are not intended to be regarded as specific legal advice. Consult with your agency's legal counsel about this topic as well. May 2014

Open Government Laws Like the Public Records Act are Often Called “Transparency Laws” or “Sunshine Laws”

This is because they “shine light” on government. U.S. Supreme Court Justice Louis Brandeis once famously said, “*Sunlight is the best disinfectant.*”

*Let Us
Begin!*

Transparency builds public confidence in government.

Purpose

- “The people do not yield their sovereignty to the agencies which serve them.”
- “The people, in delegating authority, do not give public servants the right to decide what is good for the people to know and what is not good for them to know.”
- “The people insist on remaining informed so they may retain control over the instruments they have created.”

~ *RCW 42.56.030 (PRA)*

Washington's Open Public Records Act (PRA)

- Passed in 1972 – Initiative 276
- RCW 42.56 (formerly RCW 42.17)

*Most recent amendments –
ESHB 1594
(Chap. 303, 2017 Laws);
EHB 1595 (Chap. 304,
2017 Laws)*

Touchstone:

- Public records of government agencies are presumed open.
- Records or information in records can be withheld only by law (e.g. exemption in law). Exemptions must be “narrowly construed.”

~ RCW 42.56.030

PRA Applies to Records of:

- State government agencies*
- Local government agencies*
- Limited extent to Legislature

~ RCW 42.56.010

* And to agencies that are the functional equivalent of public agencies.

PRA Does Not Apply to:

- Court records (court files)
- Records of certain volunteers (next slide)
- Private organizations or persons*

* Unless, for example, the records are used or retained by a government agency.

Volunteers

- ESHB 1594 (2017): records of **certain volunteers** are exempt from the definition of “public record.” They are:
 - Records not otherwise required to be retained
 - and are held by volunteers who
 - (a) do not serve in an administrative capacity,
 - (b) have not been appointed by the agency to an agency board, commission or internship, and
 - (c) do not have a supervisory role or delegated agency authority.
- Change effective July 23, 2017.

Public Record

“**Public record**” means:

- any writing
- containing information
- relating to
- the conduct of government or
- the performance of any governmental or proprietary function
- prepared, owned, used, or retained
- by any state or local agency
- regardless of physical form or characteristics.”

~ RCW 42.56.030

Writing

- “**Writing**” includes “handwriting, typewriting, printing, photostating, photographing, and **every other means of recording any form of communication** or representation including, but not limited to, letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, motion picture, film and video recordings, magnetic or punched cards, discs, drums, diskettes, sound recordings, and other documents including existing data compilations from which information may be obtained or translated.”

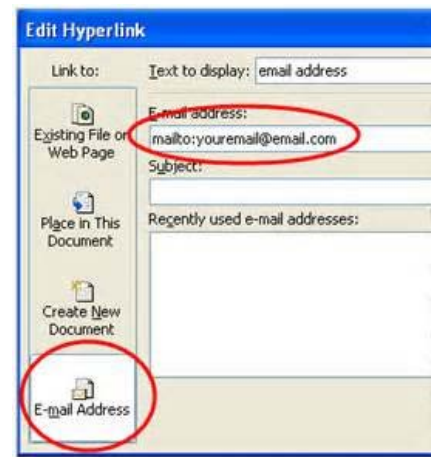

~ RCW 42.56.030

- So, “public record” is broadly defined.

Note: Public Records Include...

...records of agency business when they are created or retained by agency employees or officials on **home computers or devices, or in non-agency email accounts or files.**

Text Messages (“Scope of Employment”)

- *Nissen v. Pierce County* (Aug. 2015)

- **Text messages sent and received by a public employee in the employee’s official capacity are public records of the employer, regardless of the public or private nature of the device used to create them; thus, even if the employee uses a private cell phone.**
- A record that an agency employee prepares, owns, uses, or retains ***within the scope of employment*** is a record “prepared, owned, used or retained by a state or local agency” under the PRA.
 - An employee’s communication is “within the scope of employment” *when the job requires it, the employer directs it, or it furthers the employer’s interests.*
 - This inquiry is always case- and record-specific.

Call and Text Logs (“Use”)

- *Nissen v. Pierce County*

- For a record to be “used” by an agency it must bear a nexus with the agency’s decision-making process.
- A record held by a third party, without more, is not a “public record”, unless the agency “uses” it. In this case, that applied to **call and text logs** at the phone service provider which **were not used by the agency** (“the county did nothing with them”).

New PRA Procedures

(ESHB 1594 and EHB 1595 – Eff. July 23, 2017)

- **Ordinances.** Local agencies should consult AGO Model Rules in developing PRA ordinances.

New PRA Procedures (cont.)

(ESHB 1594 and EHB 1595 – Eff. July 23, 2017)

- **Additional training.** Records officers must also receive training on electronic records.
- **Data collection & reporting.** Agencies having PRA staff and legal costs of more than \$100,000/year must report 17 data points about their agencies' PRA requests to the Joint Legislative Audit and Review Committee (JLARC). RCW 40.14.

 - ❖ **Default statutory costs** (following a declaration of undue burden in **rule**; list of costs in statute).
 - ❖ **Alternative flat fee up to \$2** for entire request (see details in statute)
- EHB 1595's **default schedule** includes paper copies, scanned copies, electronic records costs.
- No fee for records routinely posted on **agency website**.
- Must provide an **estimate of costs to requester** upon request.
- Act provides for **other fee arrangements** in defined circumstances.
- “Customized access charge” under defined circumstances.
- No fees for inspection.
- Court action can be brought to challenge agency’s estimate of fees.

~ RCW 42.56.120, RCW 42.56.130; RCW 42.56.550

Requests for Public Records

- Persons can request **identifiable public records** from public agencies.
 - Requester can use agency public records request form.
(Form not required effective July 23, 2017)
 - If agency request form not used, requester must provide “**fair notice**” that he/she is seeking public records.
 - A request for “information” is not a request for “records” under the PRA.
 - At minimum, requester must **identify documents with sufficient clarity to allow the agency to locate them.**
 - Requesters can ask to **inspect** records, or request **copies** of records. Requests can be made via mail, e-mail, in person.

 - Need to limit the **number** of requests they make.
 - Need to **exhaust** an agency's internal appeal procedures prior to seeking judicial review when a record is denied and two business days have passed. (Agencies are to have review mechanisms but review deemed completed after 2 business days following the denial of inspection.)

 - “Bot” request means a request for public records that an agency reasonably believes was automatically generated by a computer program or script.

Requests (Cont.)

 2. **Fulfill the request;** or
 3. **Provide an internet address and link** to the records on the agency's website (which fulfills part or all of the request); or

*ESHB 1594 (eff. July 23, 2017) – if request unclear, give estimate to greatest extent possible

Seeking Clarification

- An agency can seek clarification of a request if it is **not reasonably clear**, or does not request “**identifiable records**.”
- Remember: agency’s rules are to give “fullest assistance.”
- Agency should explain why it needs clarification, in order to provide fullest assistance to requester and to search for potentially responsive records.*
- If requester does not respond to request for clarification, the agency may close the request.*

~ RCW 42.56.520

*ESHB 1594 (eff. July 23, 2017)
Agency must respond
to parts of request that are clear.

Estimate of Time for Further Response

- An agency can provide an **estimate of time for further response**. Further response includes estimate to produce first installment.
- Estimate is to be **reasonable**.
- **Factors** may include, for example, time needed to:
 - Get clarification if necessary.
 - Search for records. More time may be needed if request is large or complex.
 - Assemble and review records.
 - Provide notice to affected third persons/agencies.
 - Prepare an exemption log if necessary.
 - Perform other essential agency functions.
- An agency can **extend** the time if needed.

- Agencies can provide records in **installments**, particularly for larger requests.
- Agencies can request a deposit up front for copies (not to exceed 10 percent).
- Agencies can provide an installment by providing links to records on its website.
 - ❑ Note: Agencies are encouraged to post commonly-requested records on their websites. This:
 - Makes records more accessible.
 - Enables quicker agency responses.
 - Enables requesters to choose to view or copy only those records they want.

~ RCW 42.56.080, RCW 42.56.120

Searches

- An agency must conduct an **adequate search** for responsive records.
- The search should be reasonably calculated to uncover responsive records.
- The search should follow obvious leads to possible locations where records are likely to be found.
- If responsive public records are on or in employees' personal devices, personal accounts, or personal files, those must be searched, too.
- The focal point of the judicial inquiry is the agency's search process, not the outcome of the search.
- The agency bears the burden of proof to show the adequacy of the search.

~ *Yousoufian v. Sims; Neighborhood Alliance v. Spokane County*
