Select Committee on Pension Policy Portability Study

Mr. Tencick shared that initial findings have been provided and that the study will be presented at the Select Committee's meeting on November 17. Mike Coster asked for the feedback on the initial findings and the study be shared with the Board.

Wells Small Cap Value Transition

Mr. Tencick informed the Board that the Wells Small Cap Value transition was completed. SERS had to receive a waiver to invest in the fund since it closed to new investors subsequent to the search.

Election Impacts

Mr. Tencick shared that election results were still uncertain. The current vote counts would result in a divided government with Democrats holding the Presidency and the House and with Republicans holding the Senate. Historically, divided governments have resulted in strong equity performance.

There being no other business, the meeting adjourned at 1:18 p.m.
